SENATOR STONEY: Mr. President and members of the Legislature, currently the present statutes forbid a director or elected officer of an insurance company, credit association, or rather a cooperative credit association or credit union from acting as a notary, while on the other hand, it is lawful for any member, shareholder, appointive officer, agent or employee of such organization to notarize documents. All this would do is to harmonize the statute and allow these two classes that are now prohibited to authorize and acknowledge on behalf of their firms. If there is no discussion, I would move that it be advanced to E & R Initial.

PRESIDENT: Any further discussion. The question is the advancement of LB 704. Record your vote. Record.

CLERK: 31 ayes, 0 nays.

PRESIDENT: The bill is advanced. The Legislature might be interested in knowing that the Chair invited Senator Skarda to preside and he declined. He shows his colors on occasion. LB 675.

CLERK: LB 675 introduced by Senator Moylan. Read title. There are no Committee amendments.

PRESIDENT: Senator Moylan.

SENATOR MOYLAN: Mr. Chairman and members of the Legislature, LB 675 was asked to be introduced by the treasurer's of the counties and the intent of the bill was to increase the publication charge that the county can receive for collecting delinquent taxes when the collection results in the sale of the property. With the increasing rates of publication of legal notices, the existing charge does not offset the cost of making the publication. This charge is part of the cost of collection and is assessed as a cost against the property which has been sold. There was no opposition to the bill and I would move that LB 675 be advanced to E & R for Initial.

PRESIDENT: Any further discussion. The question is the advancement of LB 675. Record your vote. Record.

CLERK: 27 ayes, 0 nays.

PRESIDENT: The bill is advanced. LB 717.

CLERK: LB 717 introduced by the Constitution Revision and Recreation Committee. Read title. There are no Committee amendments or other amendments pending.

PRESIDENT: Senator Skarda.

SENATOR SYAS: LB 717 be advanced. All this bill does, and it is necessary, is corrects something they have been doing for years and I think other state agencies do also. When you go, for instance, to a state park or recreation area and there is a fee, say you went trout fishing and you hand them a five dollar bill and the fee is \$2.50.
